Dear Parents, Staff and Children,

The sunshine has finally arrived this week! Can I just remind you that all children need to have a water bottle and cap/ sun hat to wear in the hot weather. If you could please ensure that the children have had sun cream applied before they come to school each day. The children are allowed to bring in additional sun cream if they need to reapply it during the day and this should be clearly labelled with your child's name. Children are unable to use each others sun creams due to allergies. The children will have to apply the sun cream themselves as staff will supervise but are not able to apply the cream for them.

Thank you to all of our new Reception parents who attended the meeting this week. We hope you found it informative and are looking forward to meeting you again when we do our home visits.

A reminder that year six children will be going to their new Secondary schools for the day on 3rd July and we will be holding our Transition Afternoon. This is when all of the children will be moving up to their new classes to meet their new teachers and our new Reception children will come in for a visit.

Thank you to Year Three for leading us in our school Mass this week. I would like to reassure you all that the child that was taken ill during Mass has recovered and was back in school on Friday.

Next week our Year six children will be off on Residential. They are all very excited about this. I want to take this opportunity to thank all staff

members that gave up their own time to go on Residential with our year five children to Alton Castle and those that are going on our Year six Residential. If staff did not volunteer to go on these residentials they would not be able to take place. Please remember that staff are giving up their own time with their families and sleep to ensure that your children are safe and happy and have the best opportunities and experiences that they can.

EVERY CHILDHOOD IS WORTH FIGHTING FOR

LEARN PANTOSAURUS' FIVE EASY RULES FOR STAYING SAFE

PRIVATES ARE PRIVATE

Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first. Remember, what's in your pants belongs only to you.

You always have the right to say 'no' – even to a family member or someone you love. You're in control of your body and the most important thing is how YOU feel. If you want to say 'No', it's your choice.

S PEAK UP, SOMEONE CAN HELP

It's always good to talk about stuff that makes you upset. If you're worried, go and tell a grown up you trust – like a family member, teacher or one of your friend's parents. They'll say well done for speaking out and help make everything OK. You can also call Childline on **0800 1111** and someone will always be there to listen.

A LWAYS REMEMBER YOUR BODY BELONGS TO YOU

No one should ever make you do things that make you feel embarrassed or uncomfortable. If someone asks to see or tries to touch you underneath your underwear say 'NO' – and tell someone you trust and like to speak to.

ALK ABOUT SECRETS THAT UPSET YOU

There are good secrets and bad secrets. If a secret makes you feel sad or worried, it's bad – and you should tell an adult you trust about it straight away.

Remember all of these rules and they'll help you stay safe, just like Pantosaurus
