We live and learn in the light of Christ!

Weekly Newsletter to Parents

Friday 2nd July 2021

Summer 2 - Week 37

This week we pray for...

Our Year 3 children...

Dear Parents, Staff and Children,

Last Sunday was a wonderful event and celebration for both Year Three and Year Four. They all behaved so reverently and were a credit to their school and families as they received Communion for the first time. Thank you to all of the staff who were involved in preparing the children for this special day and to Mrs Adamo for providing the singing but also for teaching the children sign language so that they could join in with the songs in some small way.

It was SS Peter and Paul Feast day on Tuesday this week. Thank you to Miss Hanrahan for preparing this Mass. The children enjoyed celebrating this day, especially their ice lollies! Next week we will be celebrating with all of the schools from the St. John Paul Multi Academy through participating in year group prayer services at different times across the week.

We are all looking forward to this Saturday when Year Six will receive the Sacrament of Confirmation. Mass will start at 6.30pm but we ask that children come into the school hall for 6.15pm. The children will bring home their sponsor cards after Mass on Saturday and these need to be signed by their sponsors and returned to school by Friday 9th July, please. The children will receive their certificates next week.

Next Wednesday the children will take part in their transition day and spend the afternoon with their new teachers. Teachers are all looking forward to meeting their new classes. I would like to take this opportunity to welcome Mrs Gray who will be joining the staff from September as our new Year Four Teacher. It is with great sadness that I can confirm that Miss Murphy will not be with us next year. It will be a real loss to the school and we are devastated that she is leaving, as are the children. I wish her every success in whatever her future holds. Our loss will be someone else's gain!

Sports day will take place for pupils only on Thursday 8th July. This will not take place at the fields but will take place at school. Unfortunately due to COVID restrictions we are unable to allow parents to attend as we are unable to ensure social distancing and numbers. Children are to wear their normal school uniforms on this day and will change into PE kits with their team colours when needed.

Have a lovely weekend everyone.

Mrs Calvert-Lyons
Head of School

Advice on the coronavirus for places of education

How serious is the coronavirus?

- It can cause flu-like symptoms, including fever, cough & difficulty breathing
- The infection is not serious for most people, including children
- There is currently no vaccine
- Most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- You can only catch it if you have been close to a person who has the virus
- The chance of being in contact with the virus is currently low in the UK
- If you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit [NHS.UK](https://www.nhs.uk) to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Wuhan and Hubei Province in China should self isolate, and NOT attend education or work for 14 days. See [NHS.UK](https://www.nhs.uk) for advice on coronavirus.

If there is an emergency, call 999 immediately

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.
